

### **Job Opportunity**

Waypoint Centre for Mental Health Care, located in Penetanguishene, Ontario is seeking a Child & Adolescent Psychiatrist, Pediatrician or Family Physician with a focused practice in Mental Health to join our dynamic team of health professionals. This program provides community-based mental health care on a consultative basis for the full spectrum of mental health conditions to children and youths 17 years of age or younger.

The consultative service typically consists of one or two visits by a physician and potential follow-up with a clinician from the clinical team using trauma-informed care approaches. The team consists of physicians, nurses, social workers and support staff who collaborate with community-based mental health agencies, regional hospitals and primary care providers to assist children, youths and their caregivers in need of mental health care. For more complex cases, the team may offer a shared care model with the child or youth's primary health care team.
