

Job Opportunity

We are currently seeking a full-time Psychiatrist to provide services on our Acute Assessment Program. This program provides inpatient assessment and treatment for acutely ill persons with mental illness from across the Central region of Ontario. As the attending psychiatrist for eight beds, you will work in fast paced environment with a well-resourced interprofessional team to treat a wide range of diagnoses, within a comprehensive mental health institution that provides acute, rehabilitative and ambulatory care.

Position Qualifications

We are accepting expressions of interest by candidates who:

- hold an MD or equivalent and certification (or eligibility for certification) in Psychiatry from the [Royal College of Physicians and Surgeons of Canada](#)
- are licensed or eligible for licensure in the [Province of Ontario](#); or
- are [US-trained and US board certified](#) or Board-Eligible
- Preference will be given to a candidate who is interested in contributing to our academic culture and who thrives as part of a collaborative team.

What we offer

- International relocation support
- Relocation reimbursement assistance
- Full time positions with supervision if required
- Career development in teaching, research, quality improvement and leadership
- Strong academic affiliations & teaching medical learner opportunities
- Salaried pay with excellent benefits including vacation, professional development, education and professional dues allowance, and robust pension plan with [HOOPP](#), with per diem options available
- Eligibility for the [Northern & Rural Recruitment & Retention Initiative](#)
