

Feelings Pathways

A Guide To Mental Health Resources For CHILDREN AND YOUTH In Simcoe County & Muskoka.

In this guide you will find a comprehensive list of resources for children and youth experiencing a range of mental health symptoms. There are four different scenarios covered in this guide listing feelings you may be experiencing and resources that can help. Our hope is that this guide will help children, youth, and their caregivers find the right help at the right time.

I am Feeling...

Overwhelmed or Unsure **Page 3**

I am wondering how to better deal with stress and/or my emotions.

Hopeless, Unmotivated, or Constantly Worried **Page 4**

I am having trouble getting through the day.

Impulsive or Agitated **Page 5**

I am losing control over my actions/behaviours.

In a Crisis **Page 7**

I am engaging in unsafe behaviours that are putting myself or others at risk.

Counselling and Community Services

- For more information and resources, refer to **Page 4**
- For more intensive and ongoing services, refer to **Page 6**

Feeling Impulsive or Agitated

URGENT NEED FOR HELP

I am acting out in uncharacteristic ways, bouts of anger, personal relationships are affected.

Mental Health Crisis Lines

- Assess for risk, make a safety plan and give next steps
- Refer to **Page 5** for more informations

9-8-8 Suicide Crisis Helpline

- Connect to a crisis responder to get help without judgement
- Refer to **Page 5** for more information

Physicians who provide mental health care (Page 6) Intensive or Ongoing Services (Page 6)

I am in a Crisis

THIS IS AN EMERGENCY

I am engaging in unsafe behaviours that are putting myself or others at risk.

Hospital Emergency Department Or Call 9-1-1

- Contact 9-8-8: 24/7 Suicide Crisis Helpline
- Contact 9-1-1 for a medical emergency
- An Emergency Department team will assess risk, make a plan for safety and determine next steps
- Refer to **Page 7** for more information and resources

I am Feeling Overwhelmed / Unsure 😞

What's Happening?

- Wondering how you can better cope with stress?
- Looking for information on physical or mental health, bullying, relationships and other topics?
- Not sure where you should call?
- Looking to connect with peers or community?

If you answered **YES** to one or any of these questions, consult the list of Self Care and Online Resources on this page.

Strengthening Resilience

There are many ways to develop good emotional resilience to prevent mental health concerns such as focusing on breathing, getting active, time together and making sleep a priority. The following services can assist you and your child in developing such strategies and further connect you to a variety of resources offering quick access to new social connections, drop-in groups, health and wellness workshops, mental health services and more.
