Waypoint Centre for Mental Health Care is searching for a Geriatric Psychiatrist to join our Team!

Waypoint Centre for Mental Health Care is located in Penetanguishene, Ontario on the shores of beautiful Georgian Bay, less than two hours from Toronto and approximately 45 minutes from Barrie. Outdoor recreational opportunities in all four seasons abound in this area of natural beauty. Golfing, curling, fishing, boating, hiking, snowmobiling are just a few of the great activities to do here. At Waypoint, we believe in maintaining a work environment where people find meaning, enjoyment, and professional growth in their work while balancing other aspects of their lives.

Waypoint is an academic and research hospital that provides specialized mental health, addiction, and geriatric care to some of the most complex and disadvantaged people in Ontario. As a 321-bed psychiatric hospital, we deliver exceptional, progressive care, both on site at the hospital and in the communities we serve across the region.

About the Opportunity:

We are currently seeking a **part-time** (up to 0.5 FTE) Geriatric Psychiatrist to provide services for our Specialized Geriatric Services Program. North Simcoe Muskoka Specialized Geriatric Services are provided through specialized teams across the region that focus services on the care of frail older adults and their caregivers. The model is primarily consultative. Access to comprehensive administrative support and specialized assessments (including neuropsychology) with no overhead expenses are just some of the benefits. Work in collaboration with an experienced and dedicated interdisciplinary team.

Work is remote (virtual) and call is not required.

Key Accountabilities:

- Provide psychiatric care for older adults in the outpatient, long-term care and medical hospital setting in a collaborative team environment with other health professionals including nursing, occupational therapy and recreation therapy.
- Attend interdisciplinary team rounds to review cases for potential consultation
- Ensure timely electronic chart documentation that meets CPSO and Waypoint documentation standards
- Clinical expectations are based around an 8-hour day with charting time and lunch.

Requirements/Qualifications:

- Licensed for independent medical practice and in good standing with the College of Physicians and Surgeons of Ontario.
- Fellowship Certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada or other certification that is deemed to be equivalent.
- Subspecialty certification in Geriatric Psychiatry (via the Royal College of Physicians and Surgeons of Canada or equivalent) is preferred, but equivalent clinical experience will be considered at the discretion of the Physician Lead
- Preference will be given to a candidate who is interested in contributing to our academic culture and who thrives as part of a collaborative team.
- Eligible for an academic appointment at in the Department of Psychiatry, Faculty of Medicine, University of Toronto
- Aligned with Waypoint Values (Caring, Respect, Accountability, Innovation)
- Proficiency in English language skills. French considered an additional asset.

Remuneration and Benefits:

Daily Stipend: $2345.63
Salaried compensation model also available
Please Note: *This position offers the opportunity for remote work. In person work may be available based on interest and mutual agreement.*

How to Apply

Qualified applicants who are interested in learning more about the position, are welcome to reach out to Jennifer Beausoleil, Manager of Medical Affairs at jbeausoleil@waypointcentre.ca for more information.

Please note: as part of the recruitment and selection process, qualified applicants will be invited to connect with the Medical Director, Integrated Care & Physician Lead for the SGS program for an informal meet and greet, as an avenue to ask questions and gain more information about the role. Subsequent steps in the recruitment process may include a formal interview and the opportunity for a campus tour.
